

Clear Labels & Stickers

Product Data Bulletin

Description:

Clear, self adhesive vinyl labels printed with UV resistant eco-solvent ink, reinforced with UV, chemical, abrasion, and moisture resistant laminate layer. Clear labels can be printed 2 ways: Standard Mount is placed on a clear, glass window or door to read from the same side; Reverse Mount is typically placed on the inside of a clear, glass door to be read from the outside, through the glass. (Text will be backward when viewed from the inside). Recommended for indoor and outdoor business and industrial environments. Not recommended for tinted glass due to the visibility. Service temperature range -40 F to +180 F.
